"...identifying, assessing and delivering world-class leaders."

METTLER TOLEDO Appoints New Global Logistics Leader

Columbus, Ohio, October 2010 – ASLON is pleased to announce the appointment of Terry Kratky as Head of Global Logistics for METTLER TOLEDO. Terry will be based at their North American Headquarters in Columbus and in this new role for the Company, will have both Global and North American responsibilities.

As the new Head of Global Logistics, Terry will be challenged to drive major improvements in the logistics systems worldwide and provide influence as the designer and builder of the global logistics infrastructure. He will also manage a shared service organization for logistics services for most of METTLER TOLEDO's business units as well as provide supervision of the Global Supply Chain Management team members based in North America.

Terry will report to the Head of Global Supply Chain Management, who is based in Zurich, Switzerland. Prior to joining Mettler Toledo, Terry worked in various supply chain roles at NCR Corporation, most recently serving as the Director of Global Logistics and Supply Chain Planning. He received his MBA from Harvard Business School and his Bachelor of Science in Industrial Engineering from the University of Wisconsin.

About METTLER TOLEDO

METTLER TOLEDO is a leading global supplier of precision instruments and services. The Company is the world's largest manufacturer and marketer of weighing instruments for use in laboratory, industrial and food retailing applications. In addition to a wide product array, it offers the most comprehensive range of services in the industry on a global level. Their extensive global sales and service organization, with more than half of METTLER TOLEDO's nearly 10,000 employees, provide sales and service in more than 35 countries.

About ASLON

ASLON is a global, retained executive search firm whose mission is to be the leading integrity based search firm focused on identifying, assessing and delivering world-class leaders. We are partners with the International Executive Search Federation (IESF) and through our network of offices we can recruit top multicultural and multilingual leaders in any location around the world. Our reputation is built on our ability to see a search through from the initial meeting with our client to the assimilation of the finalist into the position. We operate under very strict standards of ethics and methodologies to identify the right person to fit the culture and vision of our client.
